

IMAGE ROBES

DIY Measurement

Please take measurements from left – right, wall to wall approximately 600/620 mm from the back wall.
Please measure from the wall – not the skirting or cornice.

Take measurements on the left, centre and right, floor to ceiling approximately 600/620 mm from the back wall.

Your doors will be made to the exact size opening you provide us with.
All tracks will be left slightly over sized, so some cutting may be required.
